## Profile

Junior Full-Stack Developer. Current job, Cabin Crew Supervisor. Passionate for coding and Tech, recently i joined and graduated from Le Wagon intensive **Web Development** bootcamp and completed a **group project** building an AirBnB clone and a Trip Activities generator. Looking forward to bring a **client-centric** mindset and fresh ideas to a dynamic team and make my passion for coding my next job. In my previous jobs i worked many years in coffee and food industry and i gaining valuable experience in customer service, food preparation, and team coordination. This experience has instilled in me a strong sense of teamwork and coordination that I believe would be an asset in any future roles
